A	B	C	D	E	F	G

Other traffic calming alternatives (please circle all that apply):

A B C D E F G

Parking Which Strategies do you support?

A B C D E F G

Gateways

Do you agree with GTP gateway treatment? Which location do you prefer?

Yes No A B C D

Name _____

Which is the "real" Northern gateway?

A B C D E F G

Lighting

Street lights in the downtown core (please mark your preference):

A B C D E F G

Road Extensions

I support the following future road extensions (please mark all that apply):

A B C D E F G

Please rank the following list of improvement applicable to Gualala's livability in order of preference/necessity.

	New crosswalks		Widened road shoulders
	Sidewalks in the downtown core		Road extensions
	Street lighting		Formalized public parking lots
	Left turn pockets		Curb extensions
	Gateway elements		Street trees and landscaping
	Bike lanes		Other (please explain

In general, the Gualala Town Plan should be amended

- a. To reflect the current streetscape preferences of Community Action Plan workshop participants
- b. When GTP policies are infeasible (restricted by space or cost)
- c. Not at all, the Community Action Plan should follow the policies outlined in the GTP

I am interested in the Community Action Plan because I (please circle all that apply):

Live Work Own property Own a business Bicycle or walk
 Other _____ in the town of Gualala.

Please rate this workshop on a scale of 1 (low) to 5 (high) for the following criteria:

	Engaging material		Thoroughness
	Effective Presentation		Length
	Understandable feedback process		Public participation

Options & Ideas

Presented by

T. Keith Gurnee

Tonight's Agenda

1. Project Introduction & Background
2. Market analysis/Projection
(Tom Feeney, Pacific Group)
3. Options and Ideas
 - . Key issues
 - . Assumptions
 - . Possible Strategies
4. Report Cards
5. Wrap up
