

Design Main Street

Hopland Main Street Complete Streets Study along US Highway 101 and State Route 175

Community Design Workshop

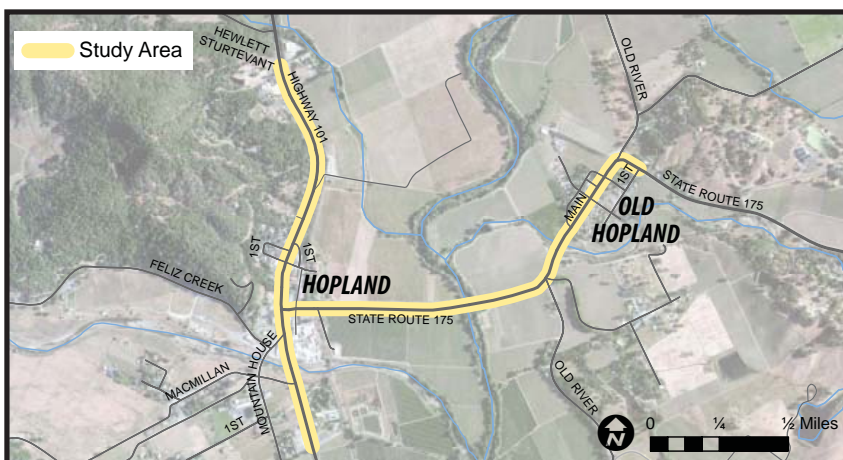

Join your neighbors and colleagues to share ideas and develop strategies to improve conditions for travel by foot, bike, bus and car in downtown Hopland and Old Hopland. A professional team will translate your input into solutions to improve safety, access and mobility for all types of users along and across Hopland's central corridors.

The event is hosted by the Mendocino Council of Governments with support from a California Department of Transportation State Planning and Research (SP&R) Grant.
