

Got Transportation?

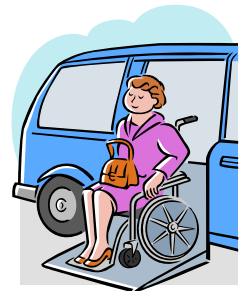

MCOG Wants You !

Mendocino Council of Governments is the Regional Transportation Planning Agency that funds public transit.

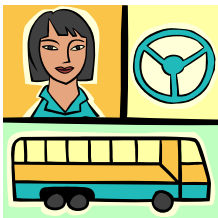

Get on Board the SSTAC

We have seats open on our Social Services Transportation Advisory Council for:

- Potential transit user at least 60 years of age
- Potential "handicapped" transit user
- Local social service provider for seniors
- And MCOG may appoint additional members

Meet just once or twice a year and have a say in prioritizing transportation needs in our county.

NOTICE
Social Services Transportation Advisory Council

November 8, 2012

To All Interested:

MCOG currently has three seats open on its Social Services Transportation Advisory Council (SSTAC), of the nine seats prescribed by state law:

- ❖ Potential transit user at least 60 years of age;
- ❖ Potential “handicapped” transit user; and
- ❖ Local social service provider for seniors.

The SSTACs were established by the Legislature in 1987 to represent the transit needs of transit-dependent and transit-disadvantaged persons, including the elderly, people with disabilities, and those of limited means. These Councils are organized under the Transportation Development Act (TDA) through the Regional Transportation Planning Agencies (such as MCOG).

The SSTAC is charged with annually reviewing and advising on the adequacy of transportation services and unmet transit needs, as well as advising MCOG on “any other major transit issues.” The annual workshop is scheduled for November 14, 2012. Meetings are open to the public and usually held in wheelchair accessible locations. MCOG welcomes participation.

For more information, please contact Janet Orth, Deputy Director, at 463-1859, or email: orthj@dow-associates.com.
