ADDENDUM No. 1

Request for Proposals (RFP)

Mendocino Transit Authority Feasibility Study for Ukiah Transit Center for Mendocino Council of Governments

Pursuant to the RFP issued by the Mendocino Council of Governments (MCOG) on September 2, 2022, the deadline to submit written questions was September 16, 2022. This Addendum addresses all questions received through that date.

Question #1:

“Our only question pertains to public outreach. Is there any in-person engagement required? Or rather would the Mendocino Transit Authority consider a virtual engagement effort?”

Response: While the RFP did not specify the exact format for community outreach, it is generally envisioned that the outreach for this project will be a mix of in-person events and virtual engagement. In-person events should be included, but there needs to be virtual options offered for providing input as well. Consultants should propose a mix of in-person events and virtual outreach options in response to Task 3 (Community & Local Agency Outreach).
