## ADDENDUM No. 1

### Request for Proposals (RFP)

#### Voter Opinion Polling & Assessment for Unincorporated Mendocino County

Pursuant to the RFP issued by the Mendocino Council of Governments (MCOG) on April 10, 2025, the deadline to submit written questions was April 21, 2025. This Addendum addresses all questions received through that date.

**Question #1** – Could the Council confirm that hard copies are not required at the proposal stage and will only be required once a firm is selected for the award?

Response: Yes, that is correct. Hard copies are not required at the proposal stage. As stated in the RFP, MCOG will accept proposals electronically and will only request print copies after a contractor has been selected for the award. Please ensure that your electronic submission is received by the deadline of 5:00 p.m. on May 8, 2025.
