In-Person and Virtual Public Workshops

Local Road Safety/Action Plan Updates for Mendocino County & Cities

The Mendocino Council of Governments (MCOG) has hired a consultant to update Local Road Safety/Action Plans for the County of Mendocino, and the cities of Fort Bragg, Point Arena, Ukiah, and Willits. These updated safety plans will enable local jurisdictions to enhance safety for all modes of transportation for all ages and abilities, and will aid in seeking state and federal grant funding to implement priority safety projects.

MCOG invites the public to two In-Person Public Workshops.

The first Workshop will be held on **Monday, May 20, 2024 (5:30 p.m. – 7:00 p.m.)** to hear a presentation on the project and offer input. The Workshop will be held at the **Fort Bragg Town Hall, 363 N. Main Street, Ft. Bragg, CA, City Council Chambers**. The presentation will cover collision profiles, draft emphasis areas, and draft safety projects.

The second Workshop will be held on **Tuesday, May 21, 2024 (5:30 p.m. – 7:00 p.m.)** and will be held at the **Alex Rorabaugh Recreation Center, 1640 S. State Street #3, Ukiah, CA, Large Conference Room**. The presentation will cover collision profiles, draft emphasis areas, and draft safety projects.

In addition, for those that cannot attend the In-Person Workshops, a virtual public workshop will be held on **Thursday, May 23, 2024 (6:00 p.m. – 7:30 p.m.)** to hear the same presentation on collision profiles, draft emphasis areas, and draft safety projects.

For Zoom meeting access and additional information, visit the project website at <https://www.mendoroadsafetyplan.com/>. This project is funded with State grant funds provided by Caltrans.

Contact MCOG project manager Loretta Ellard at lellard@dbcteam.net or 707-234-3434 with any questions.
